MEMORANDUM FOR: Mr. Howard Osborn
Director of Security

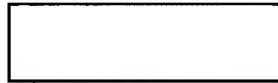

SUBJECT : Note of Appreciation

1. The support and assistance furnished by your colleagues during my 17-25 February trip to Honolulu was outstanding, impressive and greatly appreciated.

2. Unfortunately, I did not write down the names of all the gentlemen involved but one of your associates materialized at every point on my itinerary. When I went to National Airport on Saturday, 17 February, a gentleman from your local office was waiting at the check-in counter to render any assistance necessary and ensure that inspection procedures for my flight were being properly implemented.

3. Outstanding performance is, of course, something we have all come to accept as the norm for the Office of Security, but I wanted you to know how much I personally appreciated the assistance given to me during my recent trip. I would also appreciate it if you could arrange for appropriate thanks to be extended individually to each one of your colleagues who participated in this exercise.
